EMPLOYMENT JOURNEY.

TRADITIONAL EMPLOYMENT

You will receive help to develop an individualized employment plan to assist in attaining and retaining your employment. Get the support you need to navigate the employment market.

SELF-EMPLOYMENT

Supporting you in growing your business idea and advancing to the next steps in joining the self employment sector. With one-on-one coaching. Start Me Up Niagara's Work Action Centre offers a wealth of knowledge in the self-employment arena throughout the Niagara Region.

LIFE STABILIZATION

Provide you with our "Circle of Support"
We have a growing network of service referrals to ensure your needs are met.

Finding employment is only part of your journey, we aim to connect you with the services that will improve your career path.

Testimonial

In the past I have always had troubles with online applications. When confronted with doing online job applications I have found the people at the W A C more than helpful in helping with hands on instructions in doing this. Guiding me as well as lending a helpful and friendly informative insight to what I have problems with. The people at the W A C are always my go to place whenever I need help with either updating my resume or I am in need of computer guidance.
